Photography Sessions

Couples Session £350

A couples session or engagement session can be done outside in a place that you love and that is meaningful to you.

The session usually lasts a complete morning or afternoon.

Editing & retouching each one of your photos (approx 100+) creating a unique and candid story.

You will have access to a private online gallery to view all your edited photographs. You can download and share on social media.

Elopement Sessions from £800

Pre-elopement consultation allowing us the chance to meet and discuss some ideas, plans and any preferences for your day/trip.

Full coverage of your day.

Editing & retouching each one of your photos (approx 300+) creating a unique and candid story of the day.

You will have access to a private online gallery to view all your edited photographs. You can download and share on social media.

Wedding Option 1 £1100

Pre-wedding consultation allowing us the chance to meet and discuss some ideas, plans and any preferences for your wedding photography.

Coverage of your wedding from the morning preparations through to the start of dinner.

Editing & retouching each one of your photos (approx 300+) creating a unique and candid story of the day.

You will have access to a private online gallery to view all your edited photographs. You can download Hi Res to print and Low Res to share on social media.

Add a second photographer for £300 (add approx 150+ photos).

Wedding Option 2 £800

Pre-wedding consultation allowing us the chance to meet and discuss some ideas, plans and any preferences for your wedding photography.
